Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too. I have been a Customer of FPL for over Fifty Years: You operate a monopoly that thinks of the stockholders NOT about the customer like me. Because I chose other ways to prepare for retirement, I now suffer unfairly at your greedy hands. Shame on Florida Power and Light. This is going to come back to haunt you

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Thomas Perkins
