Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

FPL got a \$650 million tax cut and customers got nothing? Monopolies are allowed to exist for the benefit of consumers, not shareholders.

This is an outrage!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Mr. Manuel Castro
