Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As Floridians, age 60+, we're fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders!?! Help us understand why this is the right thing to do, if you can? Personally, we can't.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings and we are, apparently, unworthy of similar consideration?! In our view, this is another case of opportunistic profiteering at our expense!

Do the right thing,

Steve and Karen Koenig

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Steve Koenig
