Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Having lower rates would help out....and I a, sure you guys can spare som of that \$649.6 million tax cut you received!
We have all had enough of the bull---t you corporations are pulling. Greed is not the

Answer....do you people have any conscious at all? Please share and make our bills get lowered !!!?

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up
for people like me.

We need lower rates, now!

Sincerely,

Mrs. Diane Hartman
