Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm disappointed in that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders and not passing the savings on to their customers as well.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Sincerely,

Denise Terranova

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. Denise Terranova
