Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

I am retired and get less than \$1,000 per month to live on, as a Floridian age 71. Please do good with your tax cut and invest in solar and wind power. Not a windfall for people with lots of money

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. susan stanley
