Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Please make certain FPL makes the appropriate:

- 1) Wage increases to their Employees -and-
- 2) Rate reductions to their Customers

to account for this windfall tax break. These corporate tax reductions were never meant to be given to shareholders! Obviously, they do pretty well already...

Looking forward to seeing how each of you votes !!

Dennis Maloney

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Dennis Maloney
