Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders. Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Please reconsider this irresponsible action and realize that many of us on fixed incomes really need the help, especially since expenses and taxes keep rising at such an unreasonable rate. We the ratepayers have made this windfall possible and we demand to have a shared benefit that we made possible.

Many thanks,

Mary Frances Collins

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Mary Frances Collins
