Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 80+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Other Florida investor-owned utilities -- Duke Energy, Tampa Electric Company, Florida Public Utilities Corp.-- committed to permanent customer bill reductions once hurricane costs were paid. Gulf Power lowered rates without hurricane costs.

It is pathetic and abusive that FPL will not help its customers.

Shame on them!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Mrs. Lilia Sierra
