Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

I'm a FL resident age 75 plus. Just this month, two of my monthly costs increased. It sure would be nice to get a positive surprise once in a while when I open my mail. Limited income does not increase any where near as fast as expenses increase. Please do the right thing.

The wealthy have more than is NEEDED and we, the middle class, are in NEED. Let your conscious be your guide, again, please make the human choice. Thank you.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Shirley Noel
