Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Other Florida investor-owned utilities -- Duke Energy, Tampa Electric Company, Florida Public Utilities Corp.-- committed to permanent customer bill reductions once hurricane costs were paid. Gulf Power lowered rates without hurricane costs.

Not FPL! They prefer to keep all of the excess tax savings for the benefit of their shareholders. FPL should not be permitted to be the only Florida investor-owned utility to keep millions of dollars in excess tax savings--at the expense of its customers.

As a 65+ year old baby boomer, I'm sick and tired of seeing the dividends from the booming economy we built from scratch go to those who benefitted greatly from our labors without investing any of it back to us. This is just another greedy money grab by the wealthy at our expense.

Isn't It time for the PSC to stand up for us instead of being the industry's lap dog?

Paul Berkowitz

I receive FPL service at:

9860 Crescent View Dr S
Boynton Beach FL 33437

PS Will the frequent 3 second power drop outs ever end? I've had to buy multiple UPS devices to lessen continuously resetting my cable box, answering machine, digital clocks, etc. REALLY annoying.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. PAUL BERKOWITZ
