Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders. Customers across the U.S. have enjoyed lower bills as a result of a tax savings. I am actually a customer of TECO and they have passed their savings on to us, their users.

Please work to get Florida Power and Light to do the right thing by their customers.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Dixie Bennett
