Re: City of Quincy, Florida – Revised Tariff Sheets

Dear Ms. Stauffer:

This letter is submitted on behalf of the City of Quincy, Florida pursuant to Rules 25-9.05 through 25-9.071 of the *Florida Administrative Code*.

As has been the case with numerous Florida Panhandle cities, Hurricane Michael left behind great damage to the City of Quincy. In order to repair damages to its electrical infrastructure, the city has incurred significant debt which must be passed on to customers. A copy of the city's Ordinance No. 1102-2018 approving the storm recovery increase to various rate schedules is included with this filing.

Electronically filed are the city's following tariff sheets in legislative and final filing formats:

- a) Eighth Revised Sheet No. 7.0 – *Residential Service*;
- b) Eighth Revised Sheet No. 8.0 – *General Service*;
- c) Ninth Revised Sheet No. 9.0 – *General Service - Demand, and*
- d) Seventh Revised Sheet No. 10.0 – *General Service - Large Demand*.

Please contact our office if there are any questions.

Very truly yours,
/s/
