Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

I am a captive customer of FPL, meaning I cannot obtain electricity from any other company but FPL. My husband and I constantly see televised FPL commercials explaining how they are 'changing the current'. Let's worry less about FPL advertising and marketing budget or their shareholders and more about the FPL customers they are supposed to serve.

Every dollar I spend for electricity is one less dollar I have to spend on other daily necessities.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Hilarie Salem
