2 CHAIRMAN GRAHAM: Item No. 6.

3 MR. BARRETT: Good morning, Commissioners.

4 Michael Barrett with staff. Item 6 is a petition  
5 from Tampa Electric Company for a mid-course  
6 correction to its fuel and capacity cost recovery  
7 factors. The requested correction elevates the  
8 bill for a residential customer using 1,000kw hours  
9 of electricity by a net total of \$4.05 per month to  
10 be effective with the first billing cycle in April.

11 Customer comments from one individual were  
12 filed in this docket. Staff is available for your  
13 questions. Company officials are present and  
14 available for any questions you would have.

15 CHAIRMAN GRAHAM: Thank you, staff.

16 Commissioners, any questions of staff on Item  
17 No. 6?

18 COMMISSIONER CLARK: Move staff  
19 recommendation.

20 CHAIRMAN GRAHAM: It's been moved and  
21 seconded, staff recommendation on Item No. 6.

22 Commissioner Brown.

23 COMMISSIONER BROWN: Thank you. Commissioner  
24 Clark, I was just curious on -- and I support  
25 moving the item, but on issue one, which option

1           that was proposed? Page ten.

2           COMMISSIONER CLARK: Can you help me out here?

3           MR. BARRETT: Yes, sir. Commissioner, perhaps  
4           if you turn to page ten of the recommendation,  
5           there's a summary table of the company proposal and  
6           option one and option two. I'm happy to describe  
7           these for you, but that's a summary chart that has  
8           them all in once place.

9           COMMISSIONER CLARK: We were -- we had  
10          originally discussed option two, I believe, is that  
11          correct?

12          MR. BARRETT: Staff is recommending the  
13          company proposal. We're happy to address proposal  
14          No. 2 and I -- if that's your motion. I believe  
15          that was Commissioner Brown's question.

16          COMMISSIONER CLARK: Give me just a second.

17          MR. BARRETT: Commissioner, if it would help  
18          you, I'm happy to explain them to you.

19          COMMISSIONER CLARK: Please.

20          MR. BARRETT: Okay. Again, I'm looking at  
21          page ten of the recommendation, the summary chart  
22          might help you orient your thoughts, but there are  
23          four individual components that are listed at the  
24          top of page ten. The company proposal is to  
25          recover Nos. 2, 3 and 4; the capacity cost recovery

1 amounts from 2018 and the projected fuel and  
2 capacity amounts for 2019. That's the company  
3 proposal.

4 Option No. 1 would capture a mid-course  
5 correction for all of the components 1, 2, 3 and 4,  
6 listed at the top of the page. Option No. 2 would  
7 be a mid-course correction that only incorporates  
8 the 2018 portions, fuel and capacity.

9 COMMISSIONER CLARK: My motion was for the  
10 company proposal. I'm sorry.

11 CHAIRMAN GRAHAM: Okay.

12 COMMISSIONER BROWN: Thank you for the  
13 clarification.

14 CHAIRMAN GRAHAM: That's what I thought you  
15 meant, but -- so it's been moved and seconded. Any  
16 further discussion?

17 (No comments made.)

18 CHAIRMAN GRAHAM: Seeing none, all in favor  
19 say, aye.

20 (Chorus of ayes.)

21 CHAIRMAN GRAHAM: Any opposed?

22 (No comments made.)

23 CHAIRMAN GRAHAM: By your action, you've  
24 approved that motion. Thank you, staff.

25 (Agenda item concluded.)
