In re: Application for limited proceeding for
recovery of incremental storm restoration
costs related to Hurricanes Irma and Nate by
Duke Energy Florida, LLC

Docket No. 20170272-EI

Dated: March 28, 2019

**DUKE ENERGY FLORIDA, LLC'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC, (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Request for Confidential Classification for certain information provided in DEF’s Fourth Supplemental response to the Office of the Public Counsel’s (“OPC”) First Request for the Production of Documents (Nos. 1-10), filed on March 8, 2019, concurrently with DEF’s Notice of Intent to Request Confidential Classification. The Request is timely. See Rule 25-22.006(3)(a)1., F.A.C. In support of this Request, DEF states:

1. The information contained in DEF’s Fourth Supplemental Response to OPC’s First Request for the Production of Documents (Nos. 1-10), specifically question 6, contains “proprietary confidential business information” under Section 366.093(3), Florida Statutes.

2. The following exhibits are included with this request:

(a) Sealed Composite Exhibit A is a package containing an unredacted copy of all the documents for which DEF seeks confidential treatment. Composite Exhibit A was submitted separately in a sealed envelope labeled “CONFIDENTIAL” on March 8, 2019. In the unredacted versions, the information asserted to be confidential is highlighted yellow.

(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which the Company requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a table which identifies by page and line the information for which DEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

(d) Exhibit D is an affidavit attesting to the confidential nature of information identified in this request.

3. As indicated in Exhibit C, the information for which DEF requests confidential classification is “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Specifically, the information at issue relates to confidential contractor invoices involved in the restoration work in DEF’s service territory. The disclosure of which would impair the Company’s ability to contract on favorable terms. *See* § 366.093(3)(d), F.S.; Affidavit of Jay Shawver at ¶ 4. Furthermore, the information at issue contains confidential proprietary information, including contractor rates. The disclosure of this information could adversely affect the Company’s ability to secure required resources during a storm response event, which would impact the company’s competitive interests and ultimately have a detrimental impact on DEF’s customers. *See* § 366.093(3)(e), F.S.; Affidavit of Jay Shawver at ¶ 4. Accordingly, such information constitutes “proprietary confidential business information” which is exempt from disclosure under the Public Records Act pursuant to Section 366.093(1), F.S.

4. The information identified as Exhibit “A” is intended to be and is treated as

confidential by the Company. *See* Affidavit of Jay Shawver at ¶ 5. The information has not been disclosed to the public, and the Company has treated and continues to treat the information and contracts at issue as confidential. *See* Affidavit of Jay Shawver at ¶ 5.

5. DEF requests that the information identified in Exhibit A be classified as “proprietary confidential business information” within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 28th day of March, 2019.

In re: Application for limited proceeding for
recovery of incremental storm restoration
costs related to Hurricanes Irma and Nate by
Duke Energy Florida, LLC

Docket No. 20170272-EI

Dated: March 28, 2019

**AFFIDAVIT OF JAY SHAWVER IN SUPPORT OF
DUKE ENERGY FLORIDA, LLC'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Tess Roebuck, who being first duly sworn, on oath deposes and says that:

1. My name is Jay Shawver. I am over the age of 18 years old and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the Director of Sourcing in Duke Energy's Supply Chain department supporting all jurisdictions including DEF. During the 2017 storms, I assist with obtaining contracts for Transmission and Distribution.

3. DEF is seeking confidential classification for information provided in DEF's First Supplemental Response to the Office of the Public Counsel's ("OPC") First Request for Production (Nos. 1-10), filed on March 8, 2019 in this docket.

4. The confidential information at issue is contained in confidential Exhibit A attached to this Request and is outlined in DEF's Justification Matrix that is attached as Exhibit C. DEF is requesting confidential classification of this information because it contains proprietary confidential business information, the disclosure of which would impair the Company's ability to protect proprietary business information. The disclosure would also impair the Company's ability to contract on favorable terms.

5. Strict procedures are established and followed to maintain the confidentiality of the Company's vendor contracts and mutual aid agreements, as well as sensitive contractual pricing information, which includes restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information. At no time since receiving the information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information at issue as confidential.

6. This concludes my affidavit.

Further affiant sayeth not.

Dated the 26 day of March, 2019.
