Recommendation: The existing service rates for Jumper Creek should be increased by 20 percent in accordance with Rule 25-30.457, F.A.C. The Utility should file tariff sheets and a proposed customer notice to reflect the Commission-approved rates. The approved rates should be effective for service rendered on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475(1), F.A.C. Issue 3: Should the recommended rates be approved for Jumper Creek on a temporary basis, subject to refund, in the event of a protest filed by a party other than the utility?

Recommendation: Yes. Pursuant to Rule 25-30.457(15), F.A.C., in the event of a protest of the Proposed Agency Action (PAA) Order by a substantially affected person other than the Utility, Jumper Creek should be authorized to implement the rates established in the LARI PAA Order on a temporary basis subject to refund upon the Utility filing a staff-assisted rate case application within 21 days of the date the protest is filed.

The Utility should file revised tariff sheets and a proposed customer notice to reflect the Commission-approved rates. The approved rates should be effective for service rendered on or after the stamped approval date on the tariff sheet, pursuant to Rule 25-30.475(1), F.A.C. In addition, the temporary rates should not be implemented until staff has approved the proposed notice, and the notice has been received by the customers. If the recommended rates are approved on a temporary basis, the incremental increase collected by the Utility will be subject to the refund provisions outlined in Rule 25-30.360, F.A.C. Pursuant to Rule 25-30.457(17), F.A.C., if the Utility fails to file a staff-assisted rate case application within 21 days in the event there is a protest, the application for a limited alternative rate increase will be deemed withdrawn.

Issue 4: Should this docket be closed?

Recommendation: No. In the event of a protest, Jumper Creek may implement the rates established in the PAA Order on a temporary basis, subject to refund with interest, upon the Utility's filing of a staff-assisted rate case application within 21 days of the date of the protest. If Jumper Creek fails to file a staff-assisted rate case within 21 days, the Utility's petition for a limited alternative rate increase will be deemed withdrawn pursuant to Rule 25-30.457(17), F.A.C. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, a consummating order should be issued. The docket should remain open for staff's verification that the revised tariff sheets, which reflect the Commission-approved rates, and customer notice have been filed by Jumper Creek and approved by staff, and so that staff may conduct an earnings review of the Utility pursuant to Rule 25-30.457(12), F.A.C. Upon staff's approval of the tariff and completion of the earnings review process as set forth in Rule 25-30.457(12)-(14), F.A.C., this docket should be closed administratively.
