**In Re: Docket No. 20190017 Commission review of numeric conservation goals (Florida Public Utilities Company)**

Dear Commission Clerk:

On April 10, 2019, the Department of Agriculture and Consumer Services served all the parties the attached Notice of Intervention in the above referenced docket, but inadvertently filed the wrong Notice of Intervention (referencing Docket No. 20190018) with the Commission Clerk in Docket No. 20190017. We are resubmitting the correct Notice of Intervention (referencing Docket No. 20190017) for this Docket to replace DN 03611-2019; it correctly reflects Docket NO. 20190017.

If there are any other questions, please feel free to call me at the number above.

Sincerely,

*/s/ Erik L. Sayler*
