Subject: RE: Docket number 20190092-TP Consolidated Communications of Florida Company, LLC d/b/a Consolidated Communications and Terra Nova Telecom, Inc.

Thanks for the information Mr. Eastmond.

For the record, the company's new name ("Consolidated Communications of Florida Company" formerly "GTC, Inc.") should not (and does not) include "LLC" or "Inc." Attached is a copy of the Articles of Amendment filed with the Florida Department of State.

Please advise whether the interconnection agreement needs to be corrected and refiled accordingly.

We are interested in registering the d/b/a "Consolidated Communications" with the Commission. Please advise whether doing so requires a formal filing or whether this email will suffice?

Thanks.

Bob

Subject: Docket number 20190092-TP Consolidated Communications of Florida Company, LLC d/b/a Consolidated Communications and Terra Nova Telecom, Inc.

Good afternoon Ms. Menasco,

I've reviewed Docket number 20190092-TP and the ILEC name should be modified in the docket title to be (TL719)"Consolidated Communications of Florida Company".

Good afternoon Mr. Meehan and Ms. Westman,

We do not show the fictitious name "d/b/a Consolidated Communications" or your company as an "LLC" in our records as part of your company name. If you would like to change to the "LLC" status for your company name, and/or register a fictitious name, I recommend you file the requisite changes with the Florida Department of State (DOS). Once the DOS changes have been processed, you can then file a petition for a name change to include both the "d/b/a Consolidated Communications" and the "LLC" with the Florida Public Service Commission. If you have any questions about that process please contact Brandon Wendel at BWendel@psc.state.fl.us or (850) 413-6928.

Let me know if you have any questions.
