Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 60+,

We are fed up with the fact that Florida Power & Light is getting a massive tax cut from the government. Because FPL is getting this BIG TAX BREAK, instead of taxing the Senior Citizens that they service, FPL should be reducing our electric cost, passing those tax break savings on to us - the shareholders.

Customers across the U.S. have enjoyed lower bills as a result of this government tax breaks, so why haven't you afforded us that privilege?

We are loyal customers and that loyalty/royalties should be shared with us as well.

Thank you for your service...

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. Gloria BaskervilleJohnson
