RE: Docket No. 20190083-GU: Petition for Rate Increase by Sebring Gas System, Inc.

Dear Chairman Graham:

On March 29, 2019, Sebring Gas System, Inc. ("Sebring" or "Company") informed the Florida Public Service Commission (PSC) of its intent to file a petition for a general rate increase proceeding on or about May 31, 2019. By letter dated April 9, 2019, you acknowledged our request and directed us to file testimony no earlier than May 28, 2019, or alternatively inform the PSC if a different timeframe was necessary.

Pursuant to Rule 25-7.140(3), Florida Administrative Code, "[i]f the company cannot meet its filing date, it shall notify the Commission in writing before the due date and include an explanation of why it will not meet the filing date. The Company shall include a revised filing date." Therefore, consistent with the notice requirements set forth in Rule 25-7.140(3), Florida Administrative Code, the Company submits this request to extend our petition, MFR, and testimony filing dates to June 7, 2019.

Sebring respectfully requests this additional time to allow its consultants to finalize the MFRs for filing, which was unavoidably delayed by an intervening personal event.

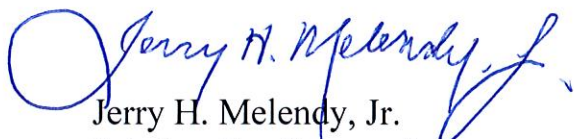

Sebring's request will be modified somewhat from that set forth in our initial letter of March 29, in that the Company has decided that it will not pursue the

establishment of interim rates. Otherwise, the Company's request will be as set forth in the prior letter.

We appreciate your consideration of this request.

Sincerely,

Jerry H. Melendy, Jr.
Sebring Gas System, Inc.
