The Florida Division of Chesapeake Utilities Corporation (“CFG” or “Company”) by and through its undersigned counsel, pursuant to Section 366.093, Florida Statutes, and consistent with Rule 25-22.006(4), Florida Administrative Code, hereby submits its Request for Confidential Classification for information contained in Exhibit A (Transportation Services Agreement) to Peninsula Pipeline Company, Inc.’s (“PPC”) Petition for Approval of Firm Transportation Service Agreement with the Company for an extension and service in Polk County. In support thereof, CFG hereby states:

1. CFG seeks confidential classification of the highlighted rates and terms in the Company’s Exhibit A to the Firm Transportation Service Agreement, which represent contractual information that both Peninsula and CFG treat as proprietary confidential business information consistent with the definition of that term in Section 366.093, Florida Statutes, as well as cost and pricing information in the Petition that CFG also considers proprietary confidential business information.
2. The information for which CFG seeks confidential classification is information that the Company and Peninsula both treat as confidential, and that meets the definition of “proprietary confidential business information” as set forth in Section 366.093(3), Florida Statutes, which provides:

Proprietary confidential business information includes, but is not limited to:

- (a) Trade secrets.
- (b) Internal auditing controls and reports of internal auditors.
- (c) Security measures, systems, or procedures.
- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.
- (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

3. Specifically, CFG seeks confidential classification of the highlighted information in Exhibit A to the Firm Transportation Service Agreement, at p. 9. The subject information is set forth and referenced as follows:

- Data associated with line identified as: "Total MDTQ (Dekatherms), page 9

4. Included with this Request is a highlighted copy of Exhibit A to the Firm Transportation Service Agreement reflecting the confidential information. Also enclosed are two redacted copies of the referenced pages.

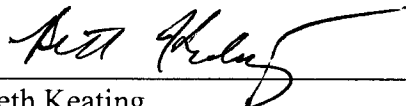

5. CFG asks that confidential classification be granted for a period of at least 18 months. Should the Commission determine that it no longer needs to retain the information, the Company respectfully requests that the confidential information be returned to the Company.
