Dear Mr. Terry,

In response to an increase in processing costs and in an effort to bill all municipalities a uniform billing fee, there will be a rate increase October 1, 2019. The increase is based on the CPI change between May 2019 and May 2018 of 1.79%. The first service will be \$1.14 and the second and additional services will be \$.49 each.

We appreciate your understanding and look forward to continuing our business relationship.

Respectfully,

Jessica Dovale
