Re: In re: Application for increase in water rates in Gulf County by Lighthouse
Utilities Company, Inc.
Docket No. 20190118-WU

Dear Chairman Graham:

By letter dated May 23, 2019, you approved the request of Lighthouse Utilities Company, Inc. (the "Utility") for a December 31, 2018, test year for its upcoming rate case. Due to events related to Hurricane Michael, the Utility and its accounting firm require additional time to complete the relevant engineering studies and MFRs. Thus, the Utility is requesting that the filing date be extended from July 1 to July 12, 2019. We have spoken with Mr. Andrew Maurey with the Commission Staff and are authorized to represent that Staff has no objection to the requested extension.

Thank you for your consideration.

Sincerely,

HOLLAND & KNIGHT LLP
