Re: Docket No. 20190121-WS - In re: Application for limited proceeding rate increase in Polk County, by CHC VII, Ltd.

Dear Mr. Friedman:

We have reviewed the minimum filing requirements (MFRs) submitted on May 13, 2019, on behalf of CHC VII, Ltd. (utility). After reviewing this information, we find the MFRs to be deficient. Pursuant to Rule 25-30.445(3), F.A.C., the applicant should provide a filing fee as required by Rule 25-30.020(g), F.A.C. Rule 25-30.020(g)(6), F.A.C., requires a utility with the existing capacity to serve in excess of 4,000 ERCs to remit a fee of \$2,250. The Utility paid a filing fee of \$1,000 at the time that its application was filed; therefore, the utility should remit the remaining balance of \$1,250.

Your petition will not be deemed filed until the deficiency identified in this letter has been corrected. The correction should be submitted no later than July 25, 2019, to the following address:
