**Re: Docket No. 20190124-WU – Petition for limited alternative rate increase in Lake County by Raintree Waterworks, Inc.**

Dear Mr. Rendell:

On June 6, 2019, Raintree Waterworks, Inc., (Utility) filed a petition for a limited alternative rate increase (LARI) requesting authority to increase its rates for water and wastewater service pursuant to Sections 367.0814 and 367.121, Florida Statutes (F.S.), and Rules 25-30.457 and 25-30.458, Florida Administrative Code (F.A.C.). In accordance with Rule 25-30.457, F.A.C., the petition must be accompanied by certain information and schedules in support of the requested increase. We have reviewed the petition and have determined that the Utility has met the initial requirements imposed by Rule 25-30.457, F.A.C. Therefore, pursuant to Rule 25-30.457(4), F.A.C., the official date of filing is established as July 31, 2019.

The staff engineer determined the filing fee is \$1,000. The fee is based on the design capacity of the utility system as provided by Section 367.145(2) F.S. and Rule 25-30.020(2)(f), F.A.C. A filing fee of \$500 was received along with the petition for this LARI. The remaining balance of \$500 is due no later than July 31, 2019.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Ballinger".
