STAFF'S THIRD DATA REQUEST
via email and U.S. mail

Re: Docket No. 20180186-GU - Petition for approval of demand side management goals and residential customer assisted and commercial walk-through energy audit programs, by Peoples Gas System.

Dear Mr. Brown and Mr. Watson:

By this letter, the Commission staff requests that Peoples Gas System (PGS or Company) provide responses to the following data requests:

1. Please explain why PGS is requesting a waiver of the on-site or walk-through requirements for residential audits, yet offers (or plans to offer) on-site or walk-through energy audits to its commercial customers.
2. Please identify whether or not any other electric utilities and/or natural gas utilities provide on-site or walk-through residential audits throughout the Company's service territory, and clarify whether the Company's eligible residential customers already receive these offers or substantially similar offers from another source.

Please file all responses electronically no later than, July 22, 2019, through the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Web Form. Please feel free to call me at (850) 413-6076 if you have any questions.

Sincerely,

/s/ Margo A. DuVal
