DOCKET NO: 20190015-EG DOCUMENT NO: 05202-2019  
DESCRIPTION: FPL (Cox) - (CONFIDENTIAL) Response to staff's 5th set of interrogatories (No. 67); exh A  
SOURCE: Florida Power & Light Company

---

Pursuant to Section 366.093, (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL or Company) requests confidential classification of certain information filed in response to Staff's Fifth Set of Interrogatories, in the above referenced docket, dated June 27, 2019. This recommendation specifically addresses FPL's Response to Staff's Fifth Set of Interrogatories, No. 67.

The Company is claiming confidentiality of its response to Staff's Fifth Set of Interrogatories, No. 67, under Sections 366.093(3)(a), F.S., and 366.093(3)(e), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (a) "[t]rade secrets," and Subsection (e) "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

The information provided in response to Staff's Fifth Set of Interrogatories, No. 67, for which confidential treatment is being sought can be described as information related to FPL's CO2 price forecast, which was developed by a third-party vendor, namely ICF.

Staff has reviewed the information FPL provided in response to Staff's Fifth Set of Interrogatories, No. 67, as well as the Company's confidentiality request. It is staff's opinion that the information that is the subject of this request meets the criteria for confidentiality contained in Section 366.093(3)(e), F.S.

The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
  - (a) Trade secrets;
  - (b) Internal auditing controls and reports of internal auditors;
  - (c) Security measures, systems, or procedures;
  - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
  - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
  - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
