## Notice of Change

### **PUBLIC SERVICE COMMISSION**

**RULE NO.:**      **RULE TITLE:**  
25-6.0426      Recovery of Economic Development Expenses.

### NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule published on June 13, 2019 in Volume 45, No. 115, of the Florida Administrative Register.

Docket No. 20180143-EI

The Statement of Regulatory Costs (SERC) was corrected to reflect the proposed rule. No conclusions in the SERC have changed as a result of the correction and remain as follows:

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:** The agency has determined that this amendment will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency. The SERC examined the factors required by Section 120.541(2), FS, and concluded that the rule amendments will not have an adverse impact on economic growth, business competitiveness, or small business and that there would not likely be an increase in transactional costs to the individual and entities, including government entities, required to comply with the rule. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: based upon the information contained in the SERC.
