Re: Docket No. 20190142-EU: Joint petition for approval of amendment to territorial agreement in Nassau County, by Florida Power & Light Company and Okefenoke Rural Electric Membership Corporation.

Dear Mr. Rubin and Mr. Rivers:

By this letter, Commission staff request that Florida Power & Light (FPL) and Okefenoke Rural Electric Membership Corporation (OREMC) provide responses to the following data requests.

1. Please clarify whether the joint petitioners are seeking Commission approval, or not, of the Memorandum of Understanding provided in Exhibit E to the petition.
2. Please explain why FPL and Okefenoke negotiated two documents: an Amendment of Territorial Agreement and a Memorandum of Understanding.
3. The Memorandum of Understanding contains a provision which requires FPL, provided final Commission approval of the territorial agreement, to construct certain distribution facilities for the benefit of Okefenoke and to transfer such facilities for \$10. Please explain how FPL will recover the cost of constructing those distribution facilities and what the basis is for the \$10 cost of those facilities to Okefenoke. What are the estimated costs FPL will incur to construct the Okefenoke distribution facilities?
