BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of FPL SolarTogether program and tariff, by Florida Power & Light Company

Docket No: 20190061-EI

Date: August 26, 2019

FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL CLASSIFICATION OF INFORMATION PROVIDED IN RESPONSE TO STAFF'S SECOND SET OF INTERROGATORIES (Nos. 166 and 186)

Pursuant to Section 366.093, Florida Statutes ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby requests confidential classification of certain information provided in response to Staff's Second Set of Interrogatories, Nos. 166 and 186 (collectively, the "Confidential Documents"). In support of this Request, FPL states as follows:

1. FPL served its responses to Staff's Second Set of Interrogatories, Nos. 160-198, on August 26, 2019. This Request is being filed contemporaneously with service of those responses in order to request confidential classification of certain information contained in its response to Interrogatories Nos. 166 and 186, consistent with Rule 25-22.006, Florida Administrative Code.

2. The following exhibits are attached to and made a part of this Request:

- a. Exhibit A consists of a copy of the Confidential Documents on which all information that FPL asserts is entitled to confidential treatment is highlighted.
- b. Exhibit B consists of an edited version of the Confidential Documents on which all information that FPL asserts is entitled to confidential treatment is redacted.

- c. Exhibit C is a table that identifies the information highlighted in Exhibit A and references the specific statutory basis for the claim of confidentiality and identifies the Declarant who supports the requested classification.
- d. Exhibit D consists of the declaration of Jill Dvareckas in support of this Request.

3. FPL submits that the highlighted information in Exhibit A are documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute customer-specific information. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent.

4. As described in the declaration in Exhibit D, some of the confidential business information contain or constitute customer-specific information, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Fla. Stat.

5. Upon a finding by the Commission that the information contained in the Confidential Documents is proprietary and confidential business information, the information should not be declassified for at least eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 26th day of August 2019.

EXHIBIT B

REDACTED

QUESTION:

Please refer to Witness Valle's direct testimony, page 12, lines 4 through 5. Please provide dates for these discussions, along with a list of attendees, customers, and method of communication (in-person, telephonic).

RESPONSE:

A detailed list of customer meetings is not available. FPL has received numerous requests and had many discussions about solar with our customers over the years. The primary efforts and discussions FPL undertook to create FPL SolarTogether are described below.

In the early design phases of the program, FPL conducted numerous in-person discussions with customers at the Edison Electric Institute Spring National Key Accounts Workshop, April 9-12, 2017. FPL did not retain detailed documentation on the specific customer meetings, but the registration list for the workshops is available at the following link: [https://www.eei.org/about/meetings/Meeting Documents/Registrants.pdf](https://www.eei.org/about/meetings/Meeting_Documents/Registrants.pdf)

In fall 2018, just prior to the C&I-G pre-registration, FPL conducted numerous in-person discussions with customers at the Smart Energy Decisions Renewable Energy Sourcing Forum ("Forum"), October 1-3, 2018 and the Edison Electric Institute Fall National Key Accounts Workshop, October 21-24, 2018. . See Table 1 below for the list of customer.

The purpose of these meetings was to test the program's value proposition, test marketing and messaging materials, understand program viability, gauge customer interest level, and identify common questions and/or concerns.

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition by Florida Power & Light
Company for Approval of FPL
SolarTogether Program and Tariff

Docket No: 20190061-EI

DECLARATION OF JILL DVARECKAS

1. My name is Jill Dvareckas. I am currently employed by Florida Power & Light Company ("FPL") as a Director of Development. I have personal knowledge of the matters stated in this declaration.

I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification, for which I am listed as the declarant on Exhibit C. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute customer-specific information. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of this information.

2. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

3. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

Jill Dvareckas
