Troy,

I have reviewed the attached draft notice of transfer for Royal Waterworks, Inc. Please make the following corrections and resubmit the draft for approval.

1. For consistency with current Commission transfer docket titles, please amend the docket title to read as follows:

"Application to transfer facilities and Certificate Nos. 259-W and 199-S in Broward County from Royal Utility Company to Royal Waterworks, Inc."
2. Please include the common name of the development served. It appears from internet searches of the area that the development may be commonly known as "Royal Land," but Royal Waterworks, Inc. should confirm this. I am fairly certain that it is not commonly known by the water and wastewater utility's name.

Once I have received the corrected notice, I will send staff's notice approval and the governmental utility listing as requested.

Please let me know if you have any further questions.
