RE: Application for a SARC for West Lakeland Wastewater, LLC in Polk County Docket # 20180202 and Application for a SARC in Manatee County by Heather Hills Utilities Docket #20190113

Dear Commission Clerk:

Please find enclosed bids for the requested new vehicle.

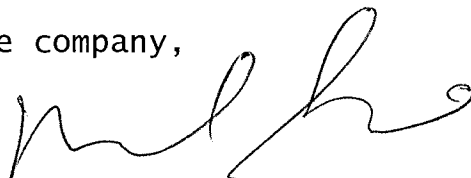

As a member of Florida Rural Water Association, the company is eligible for Fleet discount pricing. The pricing is offered through Ford and Dodge only. There are two components to these bids. The first being the vehicle itself and the second is the "up-fit" which is the shelving and flooring in the back of the van. I have enclosed a bid for each vehicle, as they are a little bit different.

These bids do not include tax, tag and title fee's.

This vehicle purchase will be allocated to all my utilities.

The Dodge van is more desirable to me because it has a larger fuel capacity and a bigger payload limit. Upon Commission approval, I will purchase the Dodge van.

On behalf of the company,

Mike Smallridge.
