Background

Utilities, Inc. of Florida (UIF or Utility) is a Class A utility providing water and wastewater service to 27 systems in the following counties: Charlotte, Highlands, Lake, Lee, Marion, Orange, Pasco, Pinellas, Polk, and Seminole. As the result of a corporate reorganization and name change, UIF is the sole surviving corporation that owns and operates the water and wastewater systems that are the subject of this rate case application.<sup>1</sup> UIF is a wholly-owned

<sup>1</sup> For the purposes of this order, the discussion of individual systems will reference the former utility it belonged to prior to the corporate reorganization, as follows: Cypress Lake Utilities, Inc. (Cypress Lakes), Utilities, Inc. of Eagle Ridge (Eagle Ridge), Labrador Utilities, Inc. (Labrador), Lake Placid Utilities, Inc. (Lake Placid), Lake Utility Services, Inc. (LUSI), Utilities, Inc. of Longwood (Longwood), Mid-County Services, Inc. (Mid-County), Utilities, Inc. of Pennbrooke (Pennbrooke), Utilities Inc. of Sandalhaven (Sandalhaven), Sanlando Utilities Corporation

subsidiary of Utilities, Inc.<sup>2</sup> On November 22, 2016, UIF completed the minimum filing requirements for its application requesting approval of interim and final water and wastewater rate increases. The test year established for interim and final rates was the historical 13-month average period ended December 31, 2015, with requested adjustments for pro forma projects. UIF requested a final revenue increase of \$2,721,001 for water and \$4,194,453 for wastewater. Additionally, the Utility requested a single, consolidated rate structure.

By Order No. PSC-2016-0526-PCO-WS, issued November 22, 2016, we authorized the collection of interim water and wastewater rates, subject to refund pursuant to Section 367.082, Florida Statutes (F.S.). The approved interim revenue requirements represented an increase of \$348,309 for water and \$209,440 for wastewater operations.<sup>3</sup> Additionally, we ordered the collection of revenues totaling \$530,900 held subject to refund for systems that appeared to be earning above their maximum return on equity (ROE).<sup>4</sup>

A formal evidentiary hearing was held May 8-10, 2017. By Order No. PSC-2017-0361-FOF-WS (Final Order), issued September 25, 2017, we approved in part the requested increase in water and wastewater rates. The approved revenue requirements represented an increase of \$1,924,677 for water and \$3,287,999 for wastewater operations.<sup>5</sup> We also ordered the partial refund of interim revenues collected.<sup>6</sup> Additionally, we approved a single, consolidated rate structure.

On October 20, 2017, the Office of Public Counsel (OPC) and Seminole County each filed a notice of administrative appeal with the First District Court of Appeal (the First DCA or the Court).<sup>7</sup> Our decision was affirmed by the First DCA in the appeal by Seminole County.<sup>8</sup> In OPC's appeal, the Court affirmed our order except as to that portion of the used and useful
