NOTICE OF RATE DECREASE

**TO WASTEWATER CUSTOMERS OF UTILITIES, INC. OF FLORIDA
AND ALL OTHER INTERESTED PERSONS
DATED: September 3, 2019**

Pursuant to Order No. 2019-0363-PAA-WS, the Florida Public Service Commission (Commission) approved a rate decrease in wastewater rates for Utilities, Inc. of Florida (utility). The decrease resulted in a credit due to customers which will be provided proactively in a future billing cycle. The credit received will be determined by previous usage of wastewater services. A schedule of revised rates and charges are set forth below.

The rates shall be effective for service rendered as of the Commission's stamped approval date on the tariff sheets. If the effective date of the new rates falls within a regular billing cycle, the initial bills at the new rate may be prorated. The old charges shall be prorated based on the number of days in the billing cycle before the effective date of the new rates. The new charges shall be prorated based on the number of days in the billing cycle on or after the effective date of the new rates. If you have any questions about your bill, please contact the utility at (866) 842-8432.
