Subject: 850 area code relief-docket number, 20190135-TP

Dear sir or madam:

I am writing because I want to comment about the 850 area code relief. I, as a consumer, favor the all service overlay as the prefer method of relief. It is more convenient, costly, and less confusing. I do not favor the alternative methods of boundary elimination overlays for the specif reasons NANPA has stated in the petition filed with the commission. Finally, I hope the commission approves the All Service Overlay for the relief of the 850 area code. I hope my comment is taken into consideration. Have a pleasant day.

Regards,

R. Sanchez
