Re: Docket No. 20190061

Dear Mr. Teitzman:

Attached for filing is an errata sheet correcting Exhibit JE-7 of the rebuttal testimony of Florida Power & Light Company witness Juan Enjamio, which was originally filed on September 23, 2019. An amended version of Exhibit JE-7 is also attached. The total CPVRR calculation of \$249 million in this amended exhibit remains unchanged from the original exhibit. The change reflected in this amended exhibit is to correct an error of a \$10 million land lease for the Kennedy solar site that was inadvertently placed in the Fixed O&M column instead of the Land column in this exhibit. There are no other changes or corrections to Mr. Enjamio's rebuttal testimony and exhibits at this time.

Please contact me if there are any questions related to this filing.

Sincerely,

s/ William P. Cox
