By this letter, the Commission staff requests that Sebring Gas System, Inc. (Sebring or Utility) provide responses to the following data requests:

Based on the current circumstances described above, please indicate the status of the Utility's infrastructure additions in its Sebring system (as discussed in the testimony of witness Christmas).
 - a. Please also indicate the status of the Utility's infrastructure additions in its Arcadia and Wauchula systems (as discussed in the testimony of witness Christmas).
