**NOTICE OF REQUEST FOR ALLOWANCE OF FUNDS PRUDENTLY INVESTED (AFPI) CHARGES  
BY UTILITIES, INC. OF FLORIDA  
November 15, 2019**

On October 7, 2019, Utilities, Inc. of Florida filed an application with the Florida Public Service Commission to establish Allowance for Funds Prudently Invested (AFPI) Charges. The AFPI Charge is to pay for growth in the utility system, and the requested charges will be paid by new, not existing customers. Pursuant to Commission Rules, an AFPI Charge is a mechanism designed to allow a utility the opportunity earn a fair rate of return on prudently constructed plant held for future use from customers who will be served by that plant. This one-time charge is assessed based on the date the future customer connects to the Utility’s wastewater system.
