Re: Docket No. 20190199-WS - Application for quick-take amendment of Certificate Nos. 278-W and 225-S to add territory in Seminole County, by Utilities, Inc. of Florida.

Dear Mr. Friedman:

Florida Public Service Commission (Commission) staff has reviewed the application for quick-take amendment (application) submitted on behalf of Utilities, Inc. of Florida (Utility) on November 4, 2019. After reviewing this information we find the application to be deficient. The specific deficiencies are identified as:

1. **Notice of Application.** Rule 25-30.037(2)(b), Florida Administrative Code (F.A.C.), requires that the applicant provide proof of noticing pursuant to Rule 25-30.030, F.A.C. Rule 25-30.030, F.A.C., requires that the notice of application be provided to the Office of Commission Clerk for Commission staff approval prior to distribution and that it contain certain specified information (paragraph 4), that the utility obtain a list of certain entities required to be noticed by the utility from Commission staff (paragraph 2), and that the utility provide affidavits of noticing as required by Sections 367.045(1)(e) and (2)(f), Florida Statutes (paragraph 6). Rule 25-30.037(3), F.A.C., requires noticing that must be titled in a specific manner, therefore the title of the draft notice provided to staff should be retitled "Notice of Application for Amendment to Certificate of Authorization To Extend Service Area" in accordance with Rule 25-30.030(3)(c), F.A.C. Once Commission staff approval of the notice(s) is obtained, please submit a request for the list of entities to receive notice from Commission staff in accordance with Rule 25-30.030(2), F.A.C. Finally, once notice has been issued in accordance with Rule 25-30.030(5), F.A.C., please submit affidavits of noticing in accordance with Rule 25-30.030(6), F.A.C.

Mr. Martin S. Friedman
