Re: Docket No. 20190113-WS Application for staff-assisted rate case in Manatee County by Heather Hills Utilities, LLC.

Dear: Ms. Gorsuch,

Thank you for your letter regarding Heather Hills Utilities, LLC (Heather Hills) application for a rate case. To ensure that the Commission staff and the Commissioners have knowledge of your concerns, your letter has been placed in the correspondence side of the docket file.

During a rate case, the Commission's accountants, engineers, and economists examine the Utility's financial and engineering information to make a recommendation to the Commissioners. One of the issues addressed is the overall quality of service provided by the utility.

With respect to the development of rates the Commission is required to set rates that are just, reasonable, compensatory, and not unfairly discriminatory as directed by Chapter 367, Florida Statutes. Staff intends to file its recommendation on February 20, 2020, in Docket No. 20190113-WS, which will be available on the Commission's website at www.floridapsc.com. The Commissioners are scheduled to vote on staff's recommendation on March 3, 2020.

We appreciate your letter and understand your concerns regarding the proposed rate increase. I hope the above information is helpful.
