COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Public Utilities Company

Details:

Notice of rate increase. This will do absolutely no good other than make me feel better. If my residential rates have been approved to increase from \$14.69 to \$23.35 to help Florida Public Utilities Company recover their capital and expenses related to Hurricane Michael can you approve an increase in my income to help me? I don't think so! You should rescind your approval of this rate increase as there are thousands of individuals suffering from storm damage with no PSC to turn to for money.
