Re: Revision of Lighting Rate Schedule

Dear Mr. Teitzman:

On behalf of Peace River Electric Cooperative, Inc. (PRECO), enclosed for filing are two revised sheets for our Lighting Service (Rate L-S). PRECO has added three new lighting fixtures as well as two new pole options. All fixture and pole charges were based on the same method use for development of the current fixture options. Additional language was added on sheet 11.02 for clarification of Contribution in Aid of Construction related to decorative lighting options provided by PRECO.

Revisions

Revised Sheet 11.01	Lighting Service
Revised Sheet 11.02	Lighting Service

The PRECO Board will make final adoption of these revisions at the regular scheduled board meeting on January 28, 2020.

During the review process, should the Commission staff have questions regarding the filing, please contact Tucker Lemley, Vice President of Finance and Administration, at (863) 767-4634 or tucker.lemley@preco.coop.

Sincerely,

Notes to Per Unit Charges:

- (1) Limited to existing installations and not available for new installs.
- (2) Lumens output and wattage rating may vary with lamp configuration and /or age.
- (3) Shown for information only. Energy charges are billed by applying the kWh to the energy rate applicable.
- (4) Charges for lighting service may be listed as a single charge on customer bill.

CONDITIONS OF SERVICE

1. Installation of a non-decorative light may be made under any of the following options:
 - a. Where a light may be installed on an existing pole and where no additional wire needs to be run to that pole, the light will be installed for the standard meter connection fee.
2. A light may be installed at locations requiring an additional wood pole or poles upon application by the member at the current cost per pole as a contribution-in-aid to construction. The Cooperative will assume the expense of operation and normal maintenance at the above rates. It will be the member's duty to notify the Cooperative during normal working hours of all malfunctioning lights. No discounts will be given for periods of inoperation. One-half of all maintenance costs due to vandalism will be borne by the member.

“Continued to Sheet No. 11.02”

“Continue from Sheet No. 11.01”

3. The Cooperative will maintain lighting fixtures owned and maintained by the Cooperative in accordance with Section 768.1382 Florida Statutes (2005).
4. The Cooperative retains ownership of the light and all other materials.
5. If the proper secondary voltage is not available where the light is to be located, the applicant will pay the estimated costs necessary to provide the proper voltage as a contribution-in-aid to construction.
6. For each reconnect of a light not requiring an installation fee, a standard meter connection fee will be charged for the first reconnect. Where additional lights are to be reconnected, or where a meter will also be reconnected at the same time, the charge will be \$10.00 for each light.
7. The light may be disconnected temporarily at the member’s request, provided that the member pays a standby fee of \$5.35 per month for each month the light remains inoperative.
8. Any member who wishes to have a current light exchanged out for an equivalent LED version before the current light has reach the end of life will incur a \$150 fee per fixture.
9. The member may be required to execute a contract requiring a minimum term as agreed to by the Cooperative and the Member for certain service projects under this rate.
10. Decorative Lighting options provided by the Cooperative will be provided under a Lighting Agreement. All decorative lighting will require Contribution in Aid of Construction (CIAC) for the Total Job Cost less the installed costs of the decorative fixture(s) and/or decorative pole(s) offered in this rate. All replacements of lighting fixtures will require the Member to pay the difference between the replacement cost of the decorative fixture(s) or pole(s) in this rate and the fixture or pole selected by the Member.

BILLING ADJUSTMENTS

The above energy rates shall be increased or decreased subject to the provisions of the Cooperative’s Cost of Power Adjustment Clause (Sheet 15.00) and Tax Adjustment Clause (Sheet 16.00).

TERM OF PAYMENT

The above rates are net. Bills are due upon receipt and payable within twenty-one (21) days of billing date.
