Re: Docket No 20200000 – City of Vero Beach Electric Utility Ending Date - December 17, 2018

Dear Mr. Teitzman:

This letter shall serve to follow up on my recent conversation with you and attorney Charles Murphy regarding FPL's acquisition of the electric utility formerly owned and operated by the City of Vero Beach. As I noted during our conversation, following the entry of the Commission's Final Order in Docket Nos. 20170235-EI and 20170236-EU on November 30, 2018, FPL and the City of Vero Beach closed on the transaction on December 17, 2018. As a result of that closing, the City of Vero Beach electric utility ceased all operations and the provision of electric service. Based upon the foregoing, the City of Vero Beach's authority to operate an electric utility should be cancelled, and it should not be identified in the Commission's records as an active electric utility. In connection with this request, please also cancel the City of Vero Beach electric utility Company Code (#EM880) and change the classification of the former City of Vero Beach electric utility to "inactive" status.

I have confirmed this information with the City of Vero Beach City Attorney, Mr. John S. Turner, who is copied on this letter.

Please feel free to contact me at your convenience if there is anything else you will require to process this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Rubin", is written over the typed name.

Kenneth M. Rubin

cc: John S. Turner, Esq.
