<p>I am an owner in Tawn Ridge. I grew up in the 40's, 50's + 60's. Then was drafted into the army in 1968. I served my country with honor + pride. I do receive a small disability check for my service injury. I have never received an increase in this disability payment. I cannot afford a 300+% increase in the water that Deer Creek has proposed. As a veteran and a senior on a fixed income the increase in gasoline is enough of a hardship without an additional 300+% water bill increase.</p>
