Subject: Re: 19-006022/20190001 Confidential Disc Two

Adam,

Since it was served on DOAH, a copy of it should have been provided to all parties, including OPC. However, in the spirit of efficiency and cooperation, by this email and on behalf of OPC I am requesting a copy of Disc 2 in the above-referenced case. Please let me know as soon as it is ready to be picked up or if anything further is required. Thank you.

Tad,

Suzanne Brownless informed me earlier today that you would like a copy of Confidential Disc No. 2, which was forwarded to DOAH in the above-referenced matter. We are happy to provide a copy to you. However, because it includes documents that DEF filed as confidential, we will need something in writing requesting the copy. For your convenience, I have attached a sample letter that OPC filed in 2018 requesting confidential documents.

Please let me know if you have any questions.
