CUSTOMER COMMENTS
I am appealing to this board as a senior citizen that is definitely on a fixed income to reconsider the 300% water rate increase that is before you now. This rate will definitely affect me and many other seniors as well as businesses in the area. I myself can't afford such an increase of this magnitude. Please take us citizens and businesses into consideration when making your final recommendation in this matter. Please, please vote NO to this increase. We are owners at Fawn Ridge and would love to remain as such. Thank you for your time and consideration in this crucial matter.
