Deer Creek, Phase II AKA Fawn Ridge

CUSTOMER COMMENTS

The Public Notice that was given to the people of Deer Creek, though much information had been omitted still showed a 200%+ increase in water/sewer services.

For us at Fawn Ridge, there was no notice. We are now told that our water/sewer service is going to increase by 300%. This new amount equals or surpasses the usual electric bill. This is just not affordable on a fixed income.

Please Vote "NO"
