CUSTOMER COMMENTS	
We've been informed that there is a proposed 300% increase in our water rates. As a senior citizen on a fixed income this is such an increase that is entirely too extreme. As a proud owner of Fawn Ridge I'd be very disappointed for this increase to happen. This is why I am asking you to be helpful and consider our plea to not let this increase happen. Thank you for the all your help in this matter.
