CUSTOMER COMMENTS

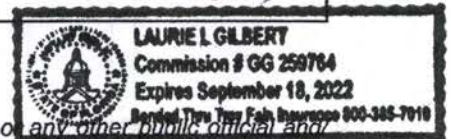

The recent proposal to increase water/sewer bills to Fawn Ridge by 300% is absurd. Myself and many others in Fawn Ridge live on fixed incomes. None of us are so naive to not expect some rise in cost of living, but not 300%. Social Security's COLA increase was only 1.6% for 2020 and Medicare increases took most of that. This 300% increase is just not affordable. I will have to cut the only other variable expense that I have, FOOD.

Please Vote "NO"
